# ABOUT US

Get ready for the ultimate technological rendezvous at BVRITN as the Technical Club (CBB) of Computer Science and Engineering Dept. proudly presents TechSurge 2K25. This two-day fest is all set to redefine the campus buzz with events that celebrate tech, creativity, and innovation.

The heart of TechSurge 2K25 lies in Vyoma, a 24-hour national-level hackathon where young minds tackle real-world problems. Fuel your entrepreneurial drive at Drishti, our idea-pitching event judged by industry experts. And when the sun sets, unwind with music and moments that bring everyone together.

TechSurge 2K25 isn't just about coding, it's an experience where ideas spark, skills grow, and memories are made.

# Director's Corner

TechSurge 2K25 stands as a testament to our vision of empowering students, tech enthusiasts, and innovators with a platform to build, explore, and lead in the ever evolving world of technology.

With flagship events like Vyoma, the 24-hour Hackathon, and Drishti, the idea-pitching arena, TechSurge goes beyond being just a fest, it fosters creativity, problem-solving, and collaborative spirit among the brightest minds.

I extend my sincere appreciation to the organizing team, volunteers, and participants for their passion and dedication. Together, let's make TechSurge 2K25 a remarkable celebration of innovation and excellence.

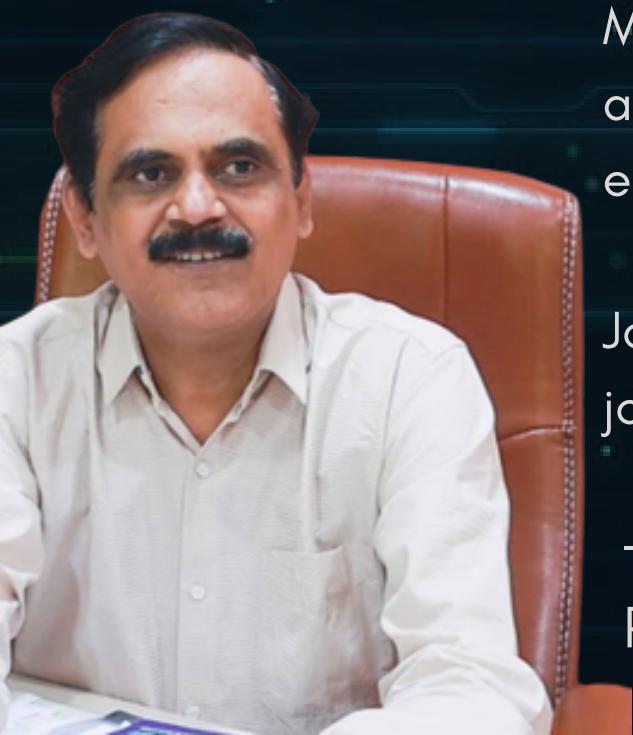

– Dr. K. Laxmi Prasad  
Director, BVRITN

# Principal's Insights

TechSurge 2K25 is a reflection of our commitment to nurturing innovation, creativity, and talent through a truly transformative experience. It goes beyond traditional events, offering a space where young minds collaborate, experiment, and grow.

With Vyoma, the 24-Hour Hackathon, and Drishti, the idea pitching competition, we aim to foster futuristic thinking and real-world problem solving. These headline events challenge students to turn bold ideas into impactful solutions.

More than just a fest, TechSurge celebrates the spirit of BVRIT, a community where ideas ignite, innovation thrives, and excellence is a shared pursuit.

Join us in making TechSurge 2K25 a defining chapter in our journey of technological leadership and creative exploration.

– Dr. Sanjay Dubey  
Principal, BVRITN

# HoD's Perspective

TechSurge 2K25 is not just an event - it's a reflection of our department's belief in empowering students to think boldly, build fearlessly, and innovate with purpose. It brings together the spirit of curiosity and collaboration that defines BVRIT.

With Vyoma and Drishti as its crown jewels, this fest is a launchpad for young innovators to transform ideas into action. As we nurture the next generation of tech leaders, TechSurge stands as a beacon of creativity, resilience, and future-ready thinking.

Let this celebration inspire every participant to dream big, disrupt norms, and shape tomorrow.

-Dr. Ch. Madhu Babu  
HoD CSE, BVRIT

# VYOMA

CODE THE CHANGE YOU WANT TO SEE

"VYOMA," a 24-hour hackathon that dares to go beyond the ordinary, inspired by the Sanskrit values - "Srishti," "Sankalp," and "Samarth." It's a space where innovation meets intention, urging participants to solve real-world problems with thoughtful strategy.

From creative thinking (Srishti) to focused resolve (Sankalp) and smart execution (Samarth), Vyoma is more than just lines of code—it's a complete innovation experience.

Immerse yourself in a day of intense building and collaboration, where challenges fuel creativity and a musical night brings everyone together. Join Vyoma for 24 hours of purpose-driven coding, where ideas turn into impact and effort meets recognition.

# DRISHTI

PITCH. PERSUDA. PROPEL

Drishti is a high-energy idea pitching event where young innovators step up to present impactful, real-world solutions to a panel of industry leaders, mentors, and potential investors. Inspired by Shark Tank, it's a platform that values originality, clarity, and purpose-driven thinking.

Participants pitch ideas that are not only creative but also practical and scalable. The panel offers constructive feedback, engages in meaningful discussions, and helps shape each pitch into something stronger blending validation with learning. Drishti fosters an entrepreneurial spirit and encourages collaboration, critical thinking, and confidence.

Winning teams don't just walk away with prizes—they gain access to mentorship, incubation support, and a chance to turn their vision into reality.
